"Serve NC is an opportunity for every NC Baptist church to love its community in Jesus' name through service projects. If your church didn't exist, would your community notice? Whether it's painting a school, cleaning up a yard or serving meals to those in need, your church knows your community's specific needs and can choose the best project to make a difference through Serve NC." Our Highland Park Family is registered and committed to being on mission together and display the gospel during the week of August 3-10, 2024. Please begin praying about the kinds of community projects you/your family/Sunday School class can participate in to love Mount Airy. More information coming soon...
