Accept the Challenge to Read through the Bible this Year! The following link [www.blueletterbible.org/dailyreading/](http://www.blueletterbible.org/dailyreading/) will lead you to Blue Letter Bible Reading Plans where you will discover a number of plans designed to facilitate your Bible reading. For example: **The Canonical Plan** - Goes straight through the Bible from Genesis to Revelation. **The Chronological Plan** - Does not read straight through, instead these readings are compiled according to the order in which the recorded events actually occurred. **The Blended Plan** - Divides the Bible so that the reader will read books in a non-traditional sequence. Another great resource is Bible Project Reading Plans at <https://bibleproject.com/reading-plans/all/>. This resource offers a digital overview of each book of the Bible with a downloadable plans for your device.

**ATTENTION VISITORS!** - We'd love to have a record of your visit! Please fill out a visitor card located in the pew pockets and drop it in one of the metal offering boxes as you leave. Or you may scan this code to fill out your information on our website's "Visitors" page. Either way, don't forget to pick up a gift bag we have for you on the round table in the foyer. Thanks for visiting with us and we look forward to seeing you again soon!
