NEW SERIES - From Pentecost to the Present: Church History Made Simple. Ever wondered how we got the Bible as we have it today? Why are there so many different denominations who disagree or live out their faith differently? Church history isn't just about past events, it's about how God guided His people through real stories of faith, courage, and mistakes that still shape our faith today. Beginning **September 17th at 7:00 pm in Room EB 204**, Pastor Jim will be guiding a 12-week exploration of the history of our faith and how it's shaping our future.
